Study English in Perth!

Study North Queensland is an Australian International Education Agency. We provide education consultancy and migration services to Latin American students wanting to study in Australia. We are a division of Freeman Migration Services Australia Pty Ltd, an Australian Registered Migration Agent.

English is now the international language. Many international employers require a high level of English language skills. When you study English in Australia you will meet native English speakers in a friendly environment. Not only will this accelerate the learning process, but you will also have a fantastic experience mixing with other international students from all over the world.

Perth effortlessly blends urban cool with raw natural beauty. Bustling with new bars, restaurants, shopping and cultural spaces, Perth is also home to Kings Park—one of the world's largest inner city parks, beautiful wineries, and stunning beaches where you can even swim with wild dolphins.

We can arrange for you to study English at this internationally recognised English school:
